

NIBS

TECHNICAL COLLEGE

QUALITY POLICY STATEMENT

NIBS-PD-MR-001

VERSION: A

NIBS Technical College is committed to be a dynamic and innovative centre of excellence by providing quality and relevant education, training, research and community service for sustainable and economic development.

In pursuit of this commitment, the College shall comply with all applicable requirements and continually improve its effectiveness by implementing a Quality Management System based on ISO 9001:2015.

Top management shall review the established quality objectives on annual basis to ensure continuing suitability.
