MESSAGE FROM THE PRINCIPAL

Greetings and welcome to NIBS Technical College. I am delighted that you decided to join us to pursue a course that will lead you to your dream career. We have established a tradition of excellence and high academic standards and will work endlessly to retain our position as your ideal training destination.

Our College is dedicated to providing our students with a well-rounded training experience coupled with character, education and exposure to technologies in order to prepare students who are confident, caring and responsible citizens with the capacity to compete globally.

To parents, I assure you that NIBS is a vibrant and engaging community of lecturers and students. I believe that your involvement is integral to the academic success of your son /daughter. To this end, I encourage you to visit the College and meet your son's/daughter's lecturers and have a feel of what NIBS offers.

Lizzie Wanyoike
PRINCIPAL & C.E.O
NIBS TECHNICAL COLLEGE

JOURNALISM & MEDIA STUDIES

We offer cutting-edge training in Journalism and Media Studies with the latest multi-media production equipment. We have blended contemporary learning with the conventional industry needs and have a highly competent team of lecturers who will walk with you throughout your training journey.

We have existing partnerships with media houses and media personalities who continuously mentor our students. Training with us is such an exciting experience as it is learner centered and intergrates both theoretical and practical training.
