## TECHNICAL COLLEGE

DEVELOPING CHARACTER, SKILLS & COMPETENCE

# QUALITY POLICY STATEMENT

NIBS-PD-MR-001

VERSION: B

NIBS Technical College is committed to delivering high-quality, relevant industry-based training and education by empowering trainees with the skills and knowledge to excel in a rapidly evolving workforce through innovation, hands-on learning and strategic industry partnerships.

In pursuit of this commitment, the College shall comply with all applicable requirements and continually improve its effectiveness by implementing a Quality Management System based on ISO 9001:2015.

Top management shall review the established quality objectives on annual basis to ensure continuing suitability.
